

# TISAttech FINTECH CLUB

## GLOBAL DIGITAL PLATFORM

TISAttech, the platform that connects FinTechs and Financial Institutions for greater adoption of transformational solutions, brings you our new FinTech Club, to further support our FinTech members.

### Free ESG Assessment

#### Powered by The Disruption House (TDH)

To celebrate Club's launch, we are currently offering FinTechs who sign-up to the TISAttech Club the opportunity to take advantage of a FREE ESG Readiness Assessment.

The assessment will enable you to build your FinTech businesses and proposition with a view to Counter-Party Risk & ESG.

### Discounted Service Suppliers

#### Offers in a range between 10-60% OFF

#### NOVA PANEL

Our NOVA Panel infrastructure allows FinTechs to grow, encourage new companies to join and International FinTechs to trade in the UK.

You get access to: ESG Rated Insurance, Tax Advisory Services, R&D Grant Specialisation, Recruitment, Venture Capital & Crowdfunding, Flexible Office Space.

### Nextwave

#### Principal Consulting partner

As one of our Principal Consulting Partner of choice, Financial Institutions' can engage Nextwave through a wider remit of innovation consulting. They can assist organisation in the definition of Problem Statements, build a benefits case for undertaking the challenge and, using the TISAttech Platform, search for who would be suppliers. They will/can also manage the onboarding process/implementation.

### Free & Discounted Technology Capability

#### NEBULA PANEL

Get access to development tools and environments from which you can build your propositions.

From Development Tools, Cloud Credits and Technical Support Credits through to Financial Services Cloud, a Blockchain accelerator programme and API integration access.

### International Support

#### Ambassadors Network

**UK Based.** Our International Ambassador network is here to support UK firms who are looking to test their ideas in other countries, helping these FinTechs to enhance their growth and reach in a more formulaic and structured manner.

**International.** International FinTech Programme provides a digital 'tech-bridge' into the UK, offering a low cost, low risk and low carbon way to qualify UK market interest in your product and start developing meaningful business conversations, without getting on a plane.

### Brand Amplification

#### Digital Marketing Booth

Continuously showcase information and news to the market about what you do with your unique profile page. This is not a static page, and companies can continually refresh their Booth with the very latest information, including dynamic content such as videos and podcasts.

Our Industry partners over at FINTECH Circle are currently offering TISAttech Members 20% off their monthly or yearly membership, using the code: TISAttech20
